

## Trivet or Table Topper - 14" x 16"

**Fabric A:** Three 23 1/2" x 6 1/2" Borders & Three Stained Glass Borders

**Fabric B:** Stained Glass - Fat Quarter or 18" x 16" or cut to match after piecing.

**ThermoFoam** - 18" x 16" or cut to match after piecing.

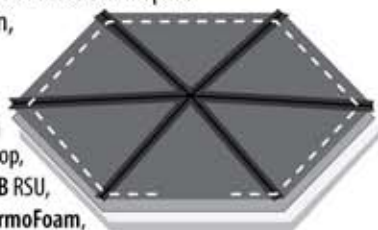

**Trivet Assembly:** #90 needle recommended for ThermoFoam

1. Pin wider black edge of **Stained Glass Borders** RST to **Border Stripe** next to bittersweet. Sew each. Press seams open. Repeat for other 2 sets.

2. Using a 60° triangle template, cut two 60° triangles from each Border set with the bittersweet closer to top.
3. Pin RST matching stripes on edges & not stretching bias edges. Starting at wider end, sew two sets of three triangles. Press each seam open after sewing.
4. Pin RST & sew hexagon halves on long side. Press seam open.
5. Layer & pin: **ThermoFoam** foil side down, **Fabric B** RSU, and **Pieced Hexagon** WSU on top.
6. Sew around leaving a 4" opening to turn in center of a straight edge.
7. Clip corners & turn RSO. Hand sew closed. Press.
8. Topstitch around inner borders. Quilt as desired.

## Basket Liner - 18 1/2" x 10 3/4"

**Fabric A:** Three sets of two Leaf Rectangles

**Fabric D:** Leaf Swirl - Cut one 10" x 11 1/2"

1. Pin RST & sew **Leaf Rectangles** together on long sides, aligning rectangles. Sew just inside colored background on WS, so black doesn't show on RS. Pin RST & sew **Fabric D** to one end. Press seams open. Bring ends together RST and sew to form a tube. Fold end rectangles in half, line up seams & press.
2. Sew top & sew bottom leaving a 2" opening to turn. Clip corners & turn RSO.
3. Press in opening to match. Topstitch around and catch in opening to close. Stitch in the ditch to secure.

Assembly:

1. With RST, pin two sets of three **Leaf Rectangles** end to end. Sew & press seams open. **Diagram 1**
2. With RST, pin one set of four **Leaf Rectangles** end to end. Sew & press seams open.
3. Finger press rows of three to find center point of middle rectangle. Pin RST to match up with center seam of row of four on each side. **Diagram 2**
4. Sew & press seams to outside.
5. Pin to Batting. Stitch in the ditch on two long seams to attach to front.
6. Trim excess Batting. Pin RST & cut Backing to match.
7. Sew around leaving a 3" opening to turn on side. Pivot on seam at the inside corners. **Diagram 3**
8. Clip corners & inner corners. Turn RSO. Press in opening to match.
9. Quilt around rectangle, stopping at leaf edges. **Diagram 3** Backstitch and start again on other side of leaf. Stitch in ditch on short horizontal seams or quilt as desired. Sew opening closed.

**Diagram 1** Pin & sew two sets of three end to end and one set of four.

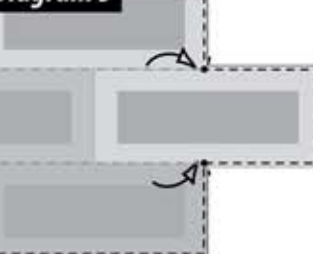

**Diagram 2** Finger press to find center of rows of three. Pin & sew centered to seam at each side of row of four.

Press seams to outside. Pin to Batting and stitch in the ditch of two long seams to attach to front. Pin Backing RST and cut to match.

**Diagram 3**

With Batting side up, sew around leaving 3" opening to turn. Pivot on seam at inside corners.

**Diagram 4**

Clip inner & outer corners, turn & press. Quilt around rectangles, start & stop at leaves. Stitch in the ditch on short horizontal seams or quilt as desired. Sew opening closed.
